I feel more welcome in school already; like my opinions and ideas matter.  
 Increase in communication is impressive.  
 Use governors more to help out more.  
 Prepare parents for Ofsted; manage expectations of new framework. Everyone needs to understand new systems and where we can improve.  
 School reports seemed a bit generic this year: quite a lot of it had been cut and pasted.  
 Year 1 had no school trip this year.  
 So far I am pleased with the SLT arrangement. JA and SG are working hard to get to know school and we offer them our full support.  
 I'm very happy with Broomhaugh.  
 The school garden needs input from more people. It is an underused, neglected space which has been tended by a limited number of people.  
 I'm so impressed with our experience of BFS; it has been the perfect learning environment for both our girls.
